 YifanDevs left a comment ([cline/cline#8050](#))

Thanks for the pointer [@bob10042!](#) 🍀

I've synced the branch with main to catch up with the latest commits and added the missing changeset file. Hopefully, this clears up the pipeline checks.

Since I'm editing via Web UI, I can't verify the JetBrains integration locally, but it should be unrelated to these CSS tweaks. Ready for review!
