Hi @bob10042 — thanks for the work here!

This PR is quite large, and we likely won't be able to review it as-is. Could you split it up so each PR addresses a single bug?

Please ping me on the specific bugs you want to tackle that are tagged help wanted. I'll assign them to you and we can get them reviewed one by one. If the fixes look good, they're much more likely to be approved.
